

Ellie Goulding, Your Song

It's a little bit funny
This feeling inside
I'm not one of those who can easily hide
I don't have much money
But boy if I did
I'd buy a big house where
We both could live

So excuse me forgetting
But these things I do
See I've forgotten if
They're green or they're blue
Anyway the thing is
What I really mean
Your's are the sweetest eyes I've ever seen

And you can tell everybody,
This is your song
It may be quite simple but
Now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is now you're in the world

If I was a sculptor
But then again no
Or girl who makes potions in a traveling show
I know it's not much but
It's the best I can do
My gift is my song and
This one's for you

Ohh [x8]

And you can tell everybody
This is your song
It may be quite simple but
Now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is now you're in the world
