

# Elliott Smith, Amity

Amity, Amity, Amity, Amity, Amity, Amity, Amity caught stars  
In her arms  
Hello, Hello Kitty happy in New York City  
Amity walking like a lucky  
Charm

I'm a neon sign and I stay open all the time  
So let's go, go, go, go

Amity Amity God don't make no  
Junk but it's plain to see  
He still made me  
He told me so  
I'm good to go  
I'm ready to go

'Cause you laugh and talk  
And 'cause you  
Make my world rock  
I'm so, so, so, so

Amity, Amity, Amity, Amity, Amity, Amity, Amity good to go
