

Elliott Smith, Everything Means Nothing To Me

Someone found the future as a statue in a fountain
At attention, looking backward in a pool of water
Wishes with a blue songbird on his shoulder
Who keeps singing over everything
Everything means nothing to me
Everything means nothing to me
Everything means nothing to me
I picked up the song and found my picture in the paper
The reflection in the water showed an iron man still trying to salute
People from a time when he was everything he's supposed to be
Everything means nothing to me
Everything means nothing to me
Everything means nothing to me
Everything means nothing to me
