

# Elliott Smith, Pictures Of Me

Start stop and start  
Stupid acting smart  
Flirting with the flicks  
You say it's just for kicks  
You'll be the victim of your own dirty tricks  
You got yourself to tease and displeas

Doors swinging wide  
You walked in to hide  
Looking at your feet  
Failure's complete  
Saw you and me on the coin-op TV  
Frozen in fear every time we appear

I'm not surprised at all and really, why should I be?  
See nothing wrong  
See nothing wrong  
I'm so sick and tired of all these pictures of me  
Completely wrong  
Totally wrong

You go walking by  
Here come another guy  
Jailer who sells  
Personal hells  
Who'd like to see me down on my fucking knees  
Everybody's dying just to get the disease

I'm not surprised at all and really, why should I be?  
See nothing wrong  
See nothing wrong  
I'm so sick and tired of all these pictures of me  
Completely wrong  
Totally wrong  
I'm not surprised at all and really, why should I be?  
See nothing wrong  
See nothing wrong  
I'm so sick and tired of all these pictures of me  
Oh everybody's dying just to get the disease  
Everybody's dying just to get the disease  
Everybody's dying just to get the disease
