Elliott Smith, Roman Candle

He played himself Didn't need me to give him hell He could be cool and cruel to you and me Knew we'd put up with anything I want to hurt him I want to give him pain I'm a roman candle My head is full of flames I'm hallucinating Hallucinating I hear you cry Your tears are cheap Wet hot red swollen cheeks Fall asleep I want to hurt him I want to give him pain I'm a roman candle My head is full of flames I want to hurt him I want to hurt him I want to hurt him I want to give him pain Make him feel this pretty burn
