

# Elliphant, Love Me Badder

My pillow smells like your cologne  
I just can't wait 'til you get home  
You gangsta ways turn me on (gangsta)  
You touch me right and you love me wrong

Give it to me, give it to me (give it to me)  
Show it to me, show it to me (show it to me)  
Come up on me, come up on me  
Baby  
Say no one  
No one loves me badder  
Than you, I say I say I say  
No one  
No one loves me badder  
Than you  
Nobody love, nobody body love me /3x  
Badder than you, no

If loving you was a crime  
I swear that I wouldn't mind to do the time  
You stole my heart boy, you robbed me blind  
You so criminal, we so criminal

Give it to me, give it to me (give it to me)  
Show it to me, show it to me (show it to me)  
Come up on me, come up on me  
Baby  
Say no one  
No one loves me badder  
Than you, I say I say I say  
No one  
No one loves me badder  
Than you  
Nobody love, nobody body love me /3x  
Badder than you, no

I fire fire bullets for you, man  
You take them take them bullets for me  
In the fire fire walking to you, man  
Cut me deep, sweet bleeding, we got bad love

Say no one  
No one loves me badder  
Than you, I say I say I say  
No one  
No one loves me badder  
Than you  
Nobody love, nobody body love me /3x  
Badder than you, no
