

Elliphant, Love Me Badder

My pillow smells like your cologne
I just can't wait 'til you get home
You gangsta ways turn me on (gangsta)
You touch me right and you love me wrong

Give it to me, give it to me (give it to me)
Show it to me, show it to me (show it to me)
Come up on me, come up on me
Baby
Say no one
No one loves me badder
Than you, I say I say I say
No one
No one loves me badder
Than you
Nobody love, nobody body love me /3x
Badder than you, no

If loving you was a crime
I swear that I wouldn't mind to do the time
You stole my heart boy, you robbed me blind
You so criminal, we so criminal

Give it to me, give it to me (give it to me)
Show it to me, show it to me (show it to me)
Come up on me, come up on me
Baby
Say no one
No one loves me badder
Than you, I say I say I say
No one
No one loves me badder
Than you
Nobody love, nobody body love me /3x
Badder than you, no

I fire fire bullets for you, man
You take them take them bullets for me
In the fire fire walking to you, man
Cut me deep, sweet bleeding, we got bad love

Say no one
No one loves me badder
Than you, I say I say I say
No one
No one loves me badder
Than you
Nobody love, nobody body love me /3x
Badder than you, no
