

Elmore James, I Believe

I'm gonna get up in the mornin',
I believe I should go back home
I'm gonna get up in the mornin',
I believe I should go back home
I'm gonna find my baby,
acknowledge that I done her wrong
I don't want no woman,
that stays drunk all the time
I don't want no woman,
that stays drunk all the time
Well you know she's a wild woman,
'bout to drive me out of my mind
I believe, I believe,
I'm going back home
I believe, I believe,
I'm going back home
I gotta lie to my baby,
I know I treated her wrong
I believe, I believe,
my time ain't long
I believe, I believe,
my time ain't long
I left my room this mornin',
I know I treat my baby wrong
