## ELO, All Over The World (Showdown - Early Vers

She cried to the southern wind About a love that was sure to end Every dream in her heart was gone Headin' for a Showdown

Bad dreamer, what's your name Looks like we're ridin' on the same train Looks as though there'll be more pain There's gonna be a Showdown

And it's rainin' all over the world It's raining all over the world Tonight, the longest night

She came to me like a friend She blew in on a southern wind Now my heart is turned to stone again There's gonna be a Showdown

Save me, oh save me It's unreal, the suffering There's gonna be a Showdown

And it's rainin' all over the world It's raining all over the world Tonight, the longest night
