

ELO, Baby, I Apologise

"One, two, three, four..."

Love my baby in the afternoon,
But she's crying, she's crying
Told my baby in the afternoon,
But she don't like it, she don't like it
Baby used to love me so.

Baby, I apologise
For telling them dirty lies
I had my fun but now it's done
Baby, I apologise.

Love you in the morning, in the evening too
But she won't do what I want to
Kicked me out of my own front room
For my lyin', my dirty lyin'
Baby used to love me so.

Baby, I apologise
For telling them dirty lies
I had my fun but now it's done
Baby, I apologise.

"You know, my darling
I was a broken man
All my dreams had fell apart
And then a voice from above
Told me the truth of the world we live
And my darling, I'd just like to say one more time
Please come back."

Baby, I apologise
For telling them dirty lies
I had my fun but now it's done
Baby, I apologise.

Love you in the morning, in the evening too
But she won't do what I want to
Kicked me out of my own front room
For my lyin', my dirty lyin'
Baby used to love me so.

Baby, I apologise
For telling them dirty lies
I had my fun but now it's done
Baby, I apologise.

Baby, I apologise
For telling them dirty lies
I had my fun but now it's done
Baby, I apologise.
