

ELO, Endless Lies (2001)

Bye-bye, pretty woman
I've got to leave you now
I find you never really cared.

Sometimes I think I live on a merry-go-round
I don't know if I'm goin' up or down
On a merry-go-round.

Endless lies shined in your eyes.

It's alright, count to ten
It will all be better then
It's alright, the world will go away.

Sometimes I think I live on a merry-go-round
I don't know if I'm goin' up or down
On a merry-go-round.

Endless lies, I can see it in your eyes
The heartbreak is, if you could only see
That's not the way it's supposed to be.

And endless tears that flowed through the years
You take it all, and then you take some more
Then you come runnin' back to me.

Play on, pretty music
Play on and on for me
Shine on, silver stars
Over the sea.

Sometimes I think I live on a merry-go-round
I don't know if I'm goin' up or down
On a merry-go-round.

Endless lies, I see it in your eyes
Endless lies shined in your eyes.
