

# ELO, From The End Of The World

Oh, you, you're so hard to get to.  
Oh, you, you don't wanna play.  
You were no better before,  
I sent a letter before,  
I sent a dream to you last night  
From the end of the world.

Oh, you, you keep me hangin' 'round and 'round  
And 'round and 'round.  
Oh, you, look at the trouble I've found.  
You were no better before (oh-oh),  
I sent a letter before (yeah-yeah),  
I sent a dream to you last night  
From the end of the world.

I saw you last night, but you couldn't answer,  
You were a lonely little sidewalk dancer.  
When I woke up, I could not stand it.  
You were gone, but I got to hand it to you.

Oh-oh, yeah-yeah,  
Dream to you last night  
From the end of the world.

Oh, please, if this is a game, I wish someone would win.  
Oh, please, just let it fly to be upon the wind.  
You were no better before (oh-oh),  
I sent a letter before (yeah-yeah),  
I sent a dream to you, baby, last night  
From the end of the world.

You were no better before (oh-oh, oh-oh),  
I sent a letter before (yeah-yeah, yeah-yeah),  
I sent a dream to you, baby, last night  
From the end of the world.

I sent a dream to you, baby, last night  
From the end of the world.

I sent a dream to you, baby, last night  
From the end of the world.

I sent a dream to you, baby,  
From the end of the world.
