ELO, Moment In Paradise

Oh, yeah

She never cried, she only tried To fly beyond her dreams No walls around her mind.

Deep inside she'd try to hide That she was way beyond her means No borders and no lines.

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah.

Moment in paradise Just a moment in paradise Oh, yeah.

She floated out upon the wind That blew my thoughts into the night She knew the things she had to know.

She drifted high above my mind Blew my brains out, did alright I think she knew it all along.

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah.

Moment in paradise Just a moment in paradise Oh, yeah Oh, yeah, oh, yeah, oh, yeah...

She said that it's your duty to save your soul To save it for someone Moment in paradise Just a moment in paradise Oh, yeah.

Moment in paradise Moment in paradise Moment in paradise Moment in paradise Oh, yeah Moment in paradise Moment in paradise Just a moment in paradise...
