

# ELO, Ordinary Dream

I couldn't really understand at all  
The writing on the wall  
From you to me.

A jigsaw puzzle of a twisted tale  
That set its lonely sail  
From you to me.

'Cause I tried to get the message  
But it's not understood  
Wide apart and so far away  
It mattered at the start until I realised instead...

I'm flying in a troubled sky  
Watching you as you go by  
In an ordinary dream.

I'm sailing on a troubled sea  
Watching you as you watch me  
In an ordinary dream.

I couldn't understand a word it said  
The letter that I read  
From you to me.

I couldn't fathom out the stuff you wrote  
So I guess it's just a joke  
From you to me.

Though reality keeps calling me away from my dream  
And the wreckage isn't all it might have been  
Didn't matter at the start, until I realised it did.

I'm flying in a troubled sky  
Watching you as you go by  
In an ordinary dream.

I'm sailing on a troubled sea  
Watching you as you watch me  
In an ordinary dream.

I'm floating in a troubled sky  
Watching you as you go by  
In an ordinary dream.

I'm sailing on a troubled sea  
Watching you as you watch me  
In an ordinary dream  
Ordinary dream  
Ordinary dream.
