

# ELO, Summer And Lightning

I have waited  
For your love  
For so long.  
How do I go on?  
I have told you  
So many times,  
It's no good  
You're treatin' me so wrong.

Out there so far away (so far away),  
Above the sky will say  
For you...  
Here it comes again  
It's all around me  
It must be magic  
Yeah, yeah, yeah.

I can see you (I see you)  
In my mind (in my mind),  
The lost time (losin' time)  
That you're savin'.  
I could reach out (I reach out)  
And touch you (touchin' you).  
What can I do (what can I do)?  
The sun ain't shinin'.

Out there so far away,  
Above the sky will say  
For you,  
Only for you...  
Here it comes again  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
It must be magic  
(Summer and lightning)  
Yeah, yeah, yeah.

Hear it comes again.

I can feel it, feel it, feel it, feel it  
[Echo] You, you, you...

Here it comes again  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
It must be magic  
(Summer and lightning)  
Yeah, yeah, yeah.

Oh, here it comes again  
(Summer and lightning)  
I can feel it  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
Yeah, yeah, yeah  
(Summer and lightning)...
