## Elton John, Come And Get It

If you want it, here it is, come and get it Make your mind up fast If you want it anytime, I can give it But you better hurry 'cause it may not last

Did I hear you say that there must be a catch Will you walk away from a fool and his money If you want it here it is, come and get it But you better hurry 'cause it's going fast

If you want it, here it is, come and get it Make your mind up fast If you want it anytime, I can give it But you better hurry 'cause it may not last

Did I hear you say that there must be a catch Will you walk away from a fool and his money, sonny If you want it here it is, come and get it But you better hurry 'cause it's going fast You better hurry 'cause it's going fast Fool and his money, sonny

If you want it here it is, come and get it But you better hurry 'cause it's going fast You better hurry 'cause it's going fast You better hurry 'cause it's going fast
