

Elton John, Electricity

I can't really explain it
I haven't got the words
It's a feeling that you can't control
I suppose its like forgetting,
losing who you are,
And at the same time,
something makes you whole,
Its like that there's a music,
playing in your ear,
And I'm listening, and I'm listening
and then I dissapear

And then I feel a change
Like a fire deep inside
Something bursting me wide open
Impossible to hide

And suddenly im flying
Flying like a bird
Like electricity
Electricity
Sparks inside of me
And i'm free, I'm free

It's a bit like being angry,
It's a bit like being scared,
Confused and all mixed up,
And mad as hell,
It's like when you've been crying,
And you're empty, and you're full,
I don't know what it is,
It's hard to tell,

Its like that theres some music,
playing in your ear,
But the music,
Is impossible,
Impossible to hear,

But then i feel it move me,
Like a burning deep inside,
Something bursting me wide open
Impossible to hide

Then suddenly im flying
Flying like a bird
Like electricity
Electricity
Sparks inside of me
And i'm free, I'm free

Electricity
Sparks inside of me
And i'm free, I'm free
Ohhhh-oh-whoa.....
I'm free..
