Please don't talk about the flintstone boy  
He's alright with me  
Please don't talk about the flintstone boy  
He's alright with me

Please don't talk about the flintstone boy  
Please don't talk about the flintstone boy

Please don't worry about the flintstone boy  
He's alright with me  
Please don't worry about the flintstone boy  
He's alright with me  
Please don't talk about the flintstone boy

He got trouble and he ain't got joy  
Please don't worry about the flintstone boy  
Please don't worry about the flintstone boy  
Don't you worry, he's alright with me, oh yeah, oh yeah
