

# Elton John, Friends

I hope the day will be a lighter highway  
For friends are found on every road  
Can you ever think of any better way  
For the lost and weary travellers to go

Making friends for the world to see  
Let the people know you got what you need  
With a friend at hand you will see the light  
If your friends are there then everything's all right

It seems to me a crime that we should age  
These fragile times should never slip us by  
A time you never can or shall erase  
As friends together watch their childhood fly
