## Elton John, (Gotta Get) A Meal Ticket

I can hound you if I need to Sip your brandy from a crystal shoe In the corner, in the corner While the others climb reaching dizzy heights The world's in front of me in black and white I'm on the bottom line, I'm on the bottom line

I'd have a cardiac if I had such luck Lucky losers, lucky losers landing on skid row Landing on skid row While the Diamond Jims And the Kings road pimps Breath heavy in their brand new clothes I'm on the bottom line, I'm on the bottom line

And I gotta get a meal ticket
To survive you need a meal ticket
To stay alive you need a meal ticket
Feel no pain, no pain
No regret, no regret
When the line's been signed
You're someone else
Do yourself a favor, the meal ticket does the rest

Shake a hand if you have to Trust in us and we will love you anyway, anyway Don't leave us stranded in the jungle With fifty percent that's hard to handle Ain't that so, ain't that so
