

# Elton John, It's All In The Game

Many a tear has to fall  
But it's all in the game  
All in the wonderful game  
That we know has love

You have words with him  
And your future's looking kind of dim  
But these things  
Your heart can rise above

Once in a while he won't call  
Oh but it's all in the game  
Soon he'll be there at your side  
With a sweet "OK";

And he'll kiss your lips  
And caress your waiting fingertips  
And your heart will fly away

Come on sing it now  
Do-do-do-do do doo, oh yeah

And he'll kiss your lips  
And caress your waiting fingertips  
And your heart will fly away
