

# Elton John & Luciano Pavarotti, Live Like Horses

I cant control this flesh and blood  
That's wrapped around my bones  
It moves beneath me like a river  
Into the great unknown  
I stepped onto the moving stairs  
Before I could tie my shoes  
Pried a harp out of the fingers of a renegade  
Who lived and died the blues

La promessa non fu chiara  
S'erra solo impressa in me  
Vidi solo il gelo dentro me  
Quella notte dise a me  
Vivrem comme cavalli  
Liberi dai recinti di ferro  
Che piu non voglio  
Rinnegare i sensi  
Su dai fuggiam  
Vivrem comme cavalli

We're the victims of the heartbreak  
That kept us short of breath  
Trapped above these bloodless streets  
Without a safety net  
I stood in line to join the tribe  
One more customer of fate  
Claimed a spoke in the wheel of the wagon train  
On the road to the golden gate

Nel deserto la nave abbandonai  
Per me aveva senso  
Son stato troppo tempo nella bestia  
Ed ora saro libero

Someday  
We'll live like horses  
Free rein  
From you old iron fences  
There's more ways than one  
To regain your senses  
Break out the stalls  
And we'll live like horses
