

Elton John, Never Say Goodbye

There isn't much I haven't shared
With you along the road
And through it all there'd always be
Tomorrow's episode
Suddenly that isn't true
There's another avenue
Beckoning, the great divide
Ask no questions, take no side
Who's to say who's right or wrong
Whose course is braver run
Will ever be, ask one

What is done has been done for the best
Though the mist in my eyes might suggest
Just a little confusion about what I'll lose
But if I started over I know I would choose
The same joy the same sadness each step of the way

That fought me and taught me that friends never say
Never say goodbye
Never say goodbye
Never say goodbye
Never say goodbye

Suddenly that isn't true
There's another avenue
Beckoning, the great divide
I would choose
The same joy the same sadness each step of the way
That fought me and taught me that friends never say
Never say goodbye
Never say goodbye
Never say goodbye
Never say goodbye
