

# Elton John, Not Me

Music by Elton John

Lyrics by Tim Rice

I once knew all the answers, I stood on certain ground  
A picture of true happiness, confidence so effortless  
No brighter could be found  
I never asked the questions that trouble me today  
I knew all there was to know, love worn lightly, put on show  
A conquest on display  
And who would have thought his love could be so good  
Not me, not me  
My secrets and my passions understood  
Not me, not me  
Who would have guessed he'd throw his world away  
To be with someone till his dying day  
Not me, not me  
I shall not envy lovers, but long for what they share  
An empty room is merciless, don't be surprised if I confess  
I need some comfort there  
And who would have thought his love could be so good  
Not me, not me  
My secrets and my passions understood  
Not me, not me  
Who would have guessed he'd throw his world away  
To be with someone till his dying day  
Not me, not me  
But not me, oh not me
