

# Elton John, Slow Down Georgie

Music by elton john  
Lyrics by bernie taupin  
Available on the album breaking hearts

Hey there georgie got a couple of things to say  
One you're my friend, and two it's hurting me  
Seeing you act this way  
But my hands are tied and I can only try to talk you out of a fall  
'cause the reputation of the woman you're dating's  
About as nasty as the berlin wall

Slow down georgie she's poison  
Man you've got to watch yourself  
She's gonna get in your head, she's gonna crawl in your bed  
You're just a stepping stone for someone else

Slow down georgie she's poison  
She's just another divorcee  
An undercover lover of a hundred

Other little fish in the sea

You better cut her loose before she gets her hooks in you  
If you give her the world, and it was covered in pearls  
She'd only ask for the moon  
She's got you hypnotised, with her big brown eyes  
And a body that could stop a clock  
But if you think your face ain't gonna be replaced  
Georgie boy you're in for a shock

Well it ain't my job to rain on your parade  
But if the chips were down, you'd do the same for me  
It's always been that way  
She's got you paralysed with a pack of lies  
About honour and the single girl  
And if you buy that line you must be out of your mind  
You must be living in another world
