

Elton John, Someone To Watch Over Me

Written by George and Ira Gershwin
From the album The Glory of Gershwin

There's a saying old says that love is blind
Still we're often told "seek and ye shall find";
So I'm going to seek a certain girl I've had in mind
Looking everywhere, haven't found her yet
She's the big affair I cannot forget
Only girl I ever think of with regret

I'd like to add her initial to my monogram
Tell me where's the shepherd for this lost lamb

There's a somebody I'm longing to see
I hope that she turns out to be
Someone who'll watch over me

I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me

Although she may not the girl some men think of
As handsome to my heart
She carries the key

Won't you tell her please to put on some speed
Follow my lead, oh how I need
Someone to watch over me
