

# Elton John, The One

I saw you dancing out the ocean  
Running fast along the sand  
A spirit born of earth and water  
Fire flying from your hands

In the instant that you love someone  
In the second that the hammer hits  
Reality runs up your spine  
And the pieces finally fit

And all I ever needed was the one  
Like freedom fields where wild horses run  
When stars collide like you and I  
No shadows block the sun  
You're all I've ever needed  
Baby you're the one

There are caravans we follow  
Drunken nights in dark hotels  
When chances breathe between the silence  
Where sex and love no longer gel

For each man in his time is Cain  
Until he walks along the beach  
And sees his future in the water  
A long lost heart within his reach
