Elton John, United We Stand

There's nowhere in the world that I would rather be Than with you my love And there's nothing in the world that I would rather see Than your smile my love

For united we stand Divided we fall And if our backs should ever be against the wall We'll be together, together, you and I

For united we stand Divided we fall And if our backs should ever be against the wall We'll be together, together, you and I

And if the world about you falls apart my love Then I'll still be here And if the going gets too hard along the way Just you call, I'll hear
