## Elvis Costello, Clowntime Is Over

Tears on your blackmail Written to ransom A point of the fingernail Says that he's handsome

[Chorus:]
Clowntime is over
Time to take cover
While others just talk and talk
Somebody's watching where the others don't walk
Clowntime is over

A voice in the shadows Says that his men know He don't step back as expected He's otherwise and unprotected

## [Chorus]

Almost too good to be true Who do you? why do you? what do you do? While everybody's hiding under covers Who's making lover's lane safe again for lovers?

[Chorus]
