

Elvis Costello, I'm Your Toy

You may be sweet and nice
That won't keep you warm at night
'Cause I'm the one who taught you how
To do the things you're doing now
He may feel all your charms
He may hold you in his arms
But I'm the one who let you in
I was right beside you then
Once upon a time
You let me feel you deep inside
And nobody knew, nobody saw
Do you remember the way you cried?

I'm your toy, I'm your old boy
But I don't want no one but you to love me
Oh I wouldn't lie
You know I'm not that kind of guy

Once upon a time
You let me feel you deep inside
And nobody knew, nobody saw
Do you remember the way you cried?

I'm your toy, I'm your old boy
But I don't want no one but you to love me
Oh I wouldn't lie
You know I'm not that kind of guy
