Elvis Costello, I Want To Vanish

[Chorus:]
I want to vanish
This is my fondest wish
To go where I cannot be captured
Laid on a decorated dish
Even in splendor this curious fate
Is more than I care to surrender
Now it's too late

Whether in wonder or indecent haste You arrange the mirrors and the spools To snare the rare and precious jewels That were only made of paste

If you should stumble upon my last remark I'm crying in the wilderness I'm trying my best to make it dark How can I tell you I'm rarer than most I'm certain as a lost dog Pondering a sign post

[Chorus]

I want to vanish
This is my last request
I've given you the awful truth
Now give me my rest
