

# Elvis Costello, Senior Service

[Chorus:]

Senior service  
Junior dissatisfaction  
It's a breath you took too late  
It's a death that's worse than fate

Senior service  
Junior dissatisfaction  
Though it may be second hand  
It's by no means second rate

I want your neck  
I want the seat that you sit at  
I want your cheque  
Because they told me I would get on  
I wanna chop off your head and watch it roll into the basket  
If you should drop dead tonight then they won't have to ask me twice

[Chorus]

They took me in the office and they told me very carefully  
The way that I could benefit from death and disability

[Chorus]

I want your company car  
I want your girlfriend and love  
I want your place at the bar  
Because there's always another man  
To chop off your head and watch it roll into the basket  
If you should drop dead tonight then they won't have to ask me twice

[Chorus]
