## Elvis Costello, Smile

Smile though your heart is aching Smile even though it's breaking When there are clouds in the sky You'll get by If you smile through your fear and sorrow Smile and maybe tomorrow You'll see the sun come shining through For you

Light up your face with gladness
Hide every trace of sadness
Although a tear
May be ever so near
That's the time you must keep on tryin'
Smile, what's the use of cryin'
You'll find that life is still worthwhile
If you'd just smile
(x2)
