

# Elvis Costello & The Attractions, I Want You

Oh my baby baby I love you more than I can tell  
I don't think I can live without you  
And I know that I never will  
Oh my baby baby I want you so it scares me to death  
I can't say anymore than "I love you";  
Everything else is a waste of breath  
I want you  
You've had your fun you don't get well no more  
I want you  
Your fingernails go dragging down the wall  
Be careful darling you might fall  
I want you  
I woke up and one of us was crying  
I want you  
You said "Young man I do believe you're dying";  
I want you  
If you need a second opinion as you seem to do these days  
I want you  
You can look in my eyes and you can count the ways  
I want you  
Did you mean to tell me but seem to forget  
I want you  
Since when were you so generously inarticulate  
I want you  
It's the stupid details that my heart is breaking for  
It's the way your shoulders shake and what they're shaking for  
It's knowing that he knows you now after only guessing  
I want you  
It's the thought of him undressing you or you undressing  
I want you  
He tossed some tattered compliment your way  
I want you  
And you were fool enough to love it when he said  
"I want you";  
I want you  
The truth can't hurt you it's just like the dark  
It scares you witless  
But in time you see things clear and stark  
I want you  
Go on and hurt me then we'll let it drop  
I want you  
I'm afraid I won't know where to stop  
I want you  
I'm not ashamed to say I cried for you  
I want you  
I want to know the things you did that we do too  
I want you  
I want to hear he pleases you more than I do  
I want you  
I might as well be useless for all it means to you  
I want you  
Did you call his name out as he held you down  
I want you  
Oh no my darling not with that clown  
I want you  
You've had your fun you don't get well no more  
I want you  
No-one who wants you could want you more  
I want you  
Every night when I go off to bed and when I wake up  
I want you  
I want you  
I'm going to say it again 'til I instill it  
I know I'm going to feel this way until you kill it

I want you  
I want you
