

# Elvis Presley, As Long As I Have You

(Wise - Weisman)

Let the stars fade and fall  
And I won't care at all  
As long as I have you

Every kiss brings a thrill  
And I know that it will  
As long as I have you

Let's think of the future  
Forget the past  
You're not my first love  
But you're my last  
Take the love that I bring  
Then I'll have everything  
As long as I have you

Let's think of the future  
Forget the past  
You're not my first love  
But you're my last  
Take the love that I bring  
Then I'll have everything  
As long as I have you

As long, as long as I have you
