Elvis Presley, As Long As I Have You

(Wise - Weisman)

Let the stars fade and fall And I won't care at all As long as I have you

Every kiss brings a thrill And I know that it will As long as I have you

Let's think of the future Forget the past You're not my first love But you're my last Take the love that I bring Then I'll have everything As long as I have you

Let's think of the future Forget the past You're not my first love But you're my last Take the love that I bring Then I'll have everything As long as I have you

As long, as long as I have you
