

# Elvis Presley, Everybody Come Aboard

Everybody come aboard the showboat tonight  
We're gonna dance 'till the morning light  
We'll have fun the whole night long  
There'll be jokes and songs  
Forget your troubles, forget your strife  
You'll have the best time of your life  
Hey everyone let's go, on with the show

Everybody's gonna gamble on the showboat tonight  
The big casino's lit up bright  
How can you lose just wear a grin you'll be sure to win  
Lady luck's waiting there inside  
The wheel of fortune's about to ride  
Hey everyone let's go on with the show

Way down by the lobby, the boats at the bank  
Bring money to spend your welcome my friend  
Just walk up the plank  
Everybody come aboard the showboat tonight  
Look around at the happy sight  
We'll guarantee that you'll have a ball  
Come on one and all  
Well what a great night you've got in store  
You'll wanna keep coming back for more  
Hey everyone let's go on with the show

Well what a great night you've got in store  
You'll wanna keep coming back for more  
Hey everyone let's go on with the show  
What a great night you've got in store  
You're gonna keep coming back for more  
Hey everyone let's go on with the show
