Elvis Presley, I Gotta Know

(Paul Evans - Matt Williams)

Get up in the mornin' feelin' might weak A tossin' and a turnin' well, I had ain't no sleep Oh baby, what road's our love taking? To romance or heartbreaking' Won't you say which way you're gonna go I gotta know, gotta know

Nine and nine make fourteen, four and four make nine The clock is strikin' thirteen I think I lost my mind You know it's gettin' aggravatin' How long can I keep waitin' Tell me if you love me yes or no, I gotta know, gotta know

Oh, how much I need you Have pity on this heart of mine Well, if you need and want me too, I'll be your one and only till the end of time

Saw the fortune teller, had my fortune read She sent me to the doctor, who sent me straight to bed He said I'm lonesome and I'm lovesick I've got my mind on lipstick Will you kiss away my cares and woe? I gotta know, gotta know
