

# Elvis Presley, I Really Dont Want To Knowep

Hold me close, hold me tight  
Make me thrill with delight  
Let me know where I stand from the start  
I want you, I need you, I love you  
With all my heart  
Ev'ry time that you're near  
All my cares disappear  
Darling, you're all that I'm living for  
I want you, I need you, I love you  
More and more  
I thought I could live without romance  
Before you came to me  
But now I know that  
I will go on loving you eternally  
Won't you please be my own?  
Never leave me alone  
'Cause I die ev'ry time we're apart  
I want you, I need you, I love you  
With all my heart
