Elvis Presley, I Want You, I Need You, I Love You

(Ira Kosloff - Maurice Mysels)

Hold me close, hold me tight Make me thrill with delight Let me know where I stand from the start I want you, I need you, I love you With all my heart

Ev'ry time that you're near All my cares disappear Darling, you're all that I'm living for I want you, I need you, I love you More and more

I thought I could live without romance Before you came to me But now I know that I will go on loving you eternally

Won't you please be my own? Never leave me alone 'Cause I die ev'ry time we're apart I want you, I need you, I love you With all my heart
