## Elvis Presley, It Wouldn't Be The Same Without Y

(words & amp; music by Wakely/Rose) I could wander the byway, rewander too But it wouldn't be the same without you Those familiair old places would just make me blue 'Cause it wouldn't be the same without you

I wasted my love on a careless romance But I'd do it again, if I had the chance I could start my life over with somebody new But it wouldn't be the same without you
