

# Elvis Presley, Just A Little Bit

I don't want much  
Just want a little bit  
Don't want it all  
Just a little bit  
Give me an eeny weeny bit  
A teeny weeny bit of your love  
Turn your lamps down low  
Slip me a kiss  
Turn your lights down low  
I won't let you resist  
I want an eeny weeny bit  
A teeny weeny bit of your love  
Early in the mornin'  
Well just a little bit  
Around midnight  
Just a little bit  
I want an eeny weeny bit  
A teeny weeny bit of your love  
Walk with me  
Just a little bit  
I said talk to me  
Just a little bit  
I want an eeny weeny bit  
A teeny weeny bit of your love  
I want you to remember  
To say that you'll be mine  
Say you'll never leave me  
Till the end of time  
I want an eeny weeny bit  
A teeny weeny bit of your love  
I want an eeny weeny bit  
A teeny weeny bit of your love
