## Elvis Presley, Let It Be Me Live

"god bless the day I found you I want to stay around you And so I beg you Let it be me Don't take this heaven from one If you must cling to someone Now and forever Let it be me Each time we meet love I find complete love Without your sweet love What would life be So never leave me lonely Tell me you'll love me only And then you'll always Let it be me Each time we meet love I find complete love Without your sweet love What would life be So never leave me lonely Tell me you'll love me only And then you'll always Let it be me "
