

# Elvis Presley, On A Snowy Christmas Night

Midnight's prayers so softly whispered in  
A Cathedral's candle light  
Bring the message of the holidays  
On a snowy Christmas night

Holly hedges and hidden mistletoe  
Symbols of the seasons might  
Joyful faces everywhere you go  
On a snowy Christmas night

Give thanks for all you've been blessed with  
And hold your loved ones tight  
For you know the Lord's been good to you  
On a snowy Christmas night

Mother Nature wears a bridal gown  
For the world is dressed in white  
There's a silent glow that fills the earth  
On a snowy Christmas night

For you know the Lord's been good to you  
On a snowy Christmas night
