Elvis Presley, Once Is Enough

All you got is one life Living once can be rough But if you live every day all the way Once is enough

You can own just one suit Worn and torn at the cuff But if you're livin' the life that you love Once is enough

What's the good of reaching ninety If you waste eighty-nine You got one life so live it If you don't it's a crime

Life's a playful puppy You can grab by the scruff And if you live every sec' what the heck Once is enough

Never wait until tomorrow What if it never comes Life is a seven layer Don't you settle for crumbs

Life's a playful puppy You can grab by the scruff And if you live every sec' what the heck Once is enough

And if you live every sec' what the heck Once is enough And if you live every sec' what the heck Once is enough
