

Elvis Presley, Separate Ways

(Words & music by West - Mainegra)

I see a change is coming to our lives

It's not the same as it used to be

And it's not too late to realise our mistake

We're just not right for each other

Love has slipped away left us only friends

We almost seem like strangers

All that's left between us are the memories we shared

Of times we thought we cared for each other

There's nothing left to do but go our separate ways

And pick up all the pieces left behind us

And maybe someday, somewhere along the way

Another love will find us

Some day when she's older, maybe she will understand

Why her mom and dad are not together

The tears that she will cry when I have to say goodbye

Will tear at my heart forever

There's nothing left to do but go our separate ways

And pick up all the pieces left behind us

And maybe someday, somewhere along the way

Another love will find us
