## Elvis Presley, Separate Ways

(Words & Dainegra) (Words & Dainegra) I see a change is coming to our lives It's not the same as it used to be And it's not too late to realise our mistake We're just not right for each other Love has slipped away left us only friends We almost seem like strangers All that's left between us are the memories we shared Of times we thought we cared for each other There's nothing left to do but go our separate ways And pick up all the pieces left behind us And maybe someday, somewhere along the way Another love will find us Some day when she's older, maybe she will understand Why her mom and dad are not together The tears that she will cry when I have to say goodbye Will tear at my heart forever There's nothing left to do but go our separate ways And pick up all the pieces left behind us And maybe someday, somewhere along the way Another love will find us
