Elvis Presley, She Wears My Ring

(Boudleaux & amp; Felice Bryant)

She wears my ring to show the world that she belongs to me She wears my ring to show the world she's mine eternally With loving care I placed it on her finger To show my love for all the world to see

This tiny ring is a token of tender emotion An endless pool of love that's as deep as the ocean She swears to wear it with eternal devotion That's why I sing, because she wears my ring

She swears to wear it with eternal devotion That's why I sing, because she wears my ring
