

# Elvis Presley, Today, Tomorrow And Forever

I give, give you my heart  
Today tomorrow and forever  
You'll always be my love

I vow we'll never part  
Today tomorrow and forever  
Long as there's stars above

The cares of life will fade away  
As long as we're together

So stay, stay in my arms  
Today tomorrow and forever  
You'll always be my love

I give, give you my heart  
Today tomorrow and forever  
You'll always be my love

The cares of life will fade away  
As long as we're together

So stay, stay in my arms  
Today tomorrow and forever  
You'll always be my love

(Today tomorrow and forever)  
You'll always be my love
