

Elvis Presley, You're The Only Star In My Blue Heaven

(Words & music by Gene Autry)
You're the only star in my blue heaven
And I'm waiting just for you
You're the only star in my blue heaven
And in dreams your face I see

Well you're the guiding light
That brightens up the night
And I see your face in my dreams
You're the only star in my blue heaven
And I'm waiting just for you
